## MOTION FOR HEARING ASAP ON TEMPORARY RESTRAINING ORDER

I plaintiff pro-se Michael Widmer in the above captioned cases hereby request an Emergency Order be entered against defendant Hodge to enjoin conduct which is intentional, willful and malicious against myself which has and currently is causing me to suffer extreme mental and physical pain. Defendant Hodge has ordered by computer generated document which I read, to his staff, Lt. Brian Stafford of internal affairs to place me in segregation and go thru all of my personal property and confiscate court documents with the heading of

Luthern Social Services on them. On 4-3-13, I was taken to segregation and given no property or hygiene products whatsoever. I have asked each officer on every shift and have been denied. Several officers have stated to me that warden Hodge wants to make an example out of inmates who file lawsuits. I declared a hunger strike on 4-3-13 in attempt to get relief. It has been 5 days now and I'm struggling. I have an excellent disciplinary record here at Lawrence am 47 years old and believe I may die if the court doesn't take some type of action immediately. I can provide proof of facts stated in this letter. I have staff witnesses, I believe will testify that warden Hodge is retaliating against me for suing him and complaining to his supervisor deputy director Bates that warden Hodge is openly racist toward white people including myself. An inmate next to me give me this paper + pen to send this out. Respectfully,

Mailed at 11pm Sunday April 7, 2013. Michael Widmer

Dear Clerk,

Please File Motion

I'm sorry for this confusing Motion as to the case number. I request it be filed in the Widmer vs Hodge case, I'm unsure of the number. I have none of my property and am being cruelly punished which is the reason for the Motion.

I only filed due to the fact I believe my life is in danger due to the intentional abuse and illegal treatment I'm being subjected to at this time.

If I would have known this could happen to me

I would have not filed any complaints in your court and I may have to withdraw them. If possible I request the judge be notified right away of this Motion please.

Respectfully

Mike Widmer
